

PROJECT ELEMENTS & CONSIDERATIONS

Pro Parks Levy Project Statement:

Create passive recreational areas, gathering areas, shade garden and seating around Green Lake Community Center.

- How will this function - passage, gateway, destination?
- Create a gathering area for passive recreation
- Provide shade garden to augment previous plantings
- Provide seating - intimate, shared, or both
- Strengthen neighborhood connection
- Increase connectivity between active areas near CC
- Honor Olmsted legacy
- Provide sufficient lighting for visitor comfort and safety
- Provide adequate irrigation systems for uses
